Writing 2 papers today & reading "growth
of the Soil" + better later - suffice it
we went to Pops - T. stayed at Pomeys -
we talked during dinner in Old
France. Some things straightened
out - explained - apologized + and a
box of candy at the end! Liked the picture,
liked you, liked Pops. - sat on ground
floor amid others who were drinking
beer and smoking - and listened
to Schubert & Wagner - it was indeed
lovely - wish you might have
heard it too. (The lecture was boring,
they said.) Hope the train ride wasn't
too bad. But it was grand seeing you
this weekend - perfectly grand. Of you
enjoyed being here so much so
enjoyed having you - it was grand
and from R. today - had been in
Trenton, N.J. for track meet! are you
inviting him to sleep in the attic room
for the days he has between camp? I
haven't written yet, but I will.
Love to you now.
indeed - ginger
